It's time to go boating!

We would like to encourage HYH customers and friends to connect and get out on the water. By forming a boating network, more boaters can get themselves and their boats out to enjoy the West River and the Bay.

Here are some options:

Looking for some crew to take out on your boat?

Looking for a boat to go out on?

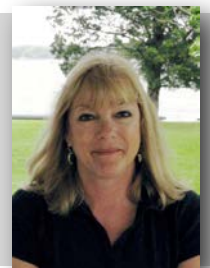

Interested in meeting fellow boaters on the water?

Simply email nancy@hartgeyachtharbor.com and supply her with contact information, boating preferences, and boat information, and we will put together an email group for setting up sail and power boat outings.

The object: to get boating women together on the water for a relaxing evening with conversation and wine.

Interest in participating or providing your boat for an evening? Send ideas and thoughts to nancy@hartgeyachtharbor.com with day/date preferences. We'll see how many people are interested, and put a plan into action!

HYH will provide wine for the WWW group!

Let's get together on the water...
